President's Corner

**Column by Karl Bowman W4CHX,
RARS President**

I am really looking forward to ARRL Field Day this year! And, it will be here soon: June 22-24! Bob W4TTX and the band captains have great plans, which should lead to another successful Field Day for RARS. Please don't forget that volunteers are needed for set up, operations, and tear down; and, David KF4VXJ will need assistance with picking up donated items prior to Field Day. If you can help, please contact Bob W4TTX, our Field Day Chair or David KF4VXJ.

Maker Faire North Carolina will be occurring on Saturday, June 16 at the Kerr Scott Building, NC State Fairgrounds from 10:00 AM to 5:00 PM. Maker Faire is an annual event that tends to attract "do-it-yourself" people". If you would like to attend Maker Faire North Carolina, please see <http://makerfairenc.com/> for further information.

Finally, please do not forget that there are many upcoming public service events, particularly during June. Visit the RARS website or contact John AI4RT at ai4rt@hotmail.com to volunteer for these public service events.

The next RARS meeting will be held on Tuesday, June 5. Bob Starkenburg W4TTX will be our speaker and his presentation will be "Field Day 2012". Please don't forget to attend – it will be great to see you!

Reviewed all the steps necessary to get the repeater equipment operational. The band plan is up to date regarding having the "13" repeater in the triangle. TBD is the internet connection between the "13" and "44" repeaters. Repair or replacement of the repeater building at the Bayleaf tower site discussion was deferred to the general business part of the meeting.
 - f. RARSFest Chair (John AI4RT): Last planning session is this Monday.
 - g. Exciter Chair (Courtney KI4HOS): NR
 - h. Hospitality Chair (Mary Jo K4MJL): NR
 - i. Net Manager (Mary KG4OQA): NR

- n. W4DW/W4RNC Trustee (Jeff AC4ZO): NR
- o. RARSVE Coordinators (Joe WA4GIR and Liz KO4CK): NR
- p. RARS Webmaster (Hank K4HM): Supporting RARSfest.

7. Old business:

- a. New award for RARS members (Ken KI4OTO): Ken needs additional members on the committee. They will meet before the next Board meeting.
- b. Insurance coverage for RARS (Greg KE4PAX): Karl reported for Greg that we will change our coverage to what the ARRL recommends for affiliated clubs. We will change carriers to do this.
- c. ARRL licensing manuals for public libraries (Murray K4MHM): NR

8. New business:

- a. Repair or replacement of repeater building at the Bayleaf tower site (Cliff W4FT, Jack N6UYB, and Karl W4CHX): Cliff presented detailed documentation of cost estimates to repair or replace the repeater building at Bayleaf. This was discussed in some detail. The consensus of the Board was that the building should be replaced with one that meets current code and our needs. We also felt that we needed sufficient contingency in the budget. There are still many unknowns regarding details. Cliff is working to address this. We also agreed that we need to poll the membership to see what skills (carpenters and electricians) are in the club and can be utilized. We also need to see if there is a way we can leverage our 5013c status for donations of labor and/or material. Don Downs made the following motion which was seconded by Selene: "That the Board recommend to the membership, that an additional \$6,000 from the general fund be added to the repeater line item. The funds are for replacing the existing building at the Bayleaf repeater site." The motion passed.
- b. ARRL Roanoke Division Convention at 2014 RARSfest (Chuck K4HF): As an approved State Convention ARRL sends "visiting firemen" to RARSfests. The Roanoke Division and NCS Staff have noticed how we conduct RARSfest and

as a result they suggested RARSfest be the ARRL Roanoke Division Convention in 2014. Chuck reviewed how conventions are assigned including State, Section, Division and others. Doing this will require little extra work or funds on the part of RARS. The Board reached consensus on letting the RARSfest committee decide on this and we will support them.

- c. Jay, KJ4HZZ and Vic, KJ4ZJE reported on their difficulties with feedback when volunteering for club activities. One item cited was a lack of understanding what would be required at various public service events. There was also lack of feedback on assignments for RARSfest. John, Hank, C.J. and others explained how the feedback is supposed to work. All will be taking steps to make sure it works better.

9. There was no other business:

10. Board member's comments: Jack, N6UYB: a new GMRS repeater is on the air for 462.675 pair.

11. Adjournment (Karl W4CHX): The meeting was adjourned at 8:55 PM.

Minutes of the April 17, 2012 RARS Board Meeting

Present: Bob KI4YXM, CJ KJ4OBQ, Chuck K4HF, Joe WA4GIR, Don WA4AVU, Bob W4TTX, Jack N6UYB, Virginia NC4VA, Greg, KE4PAX, Ken KI4OTO, Karl W4CHX, Chuck W3WZN

Guests: Marc W4MPS, Marty W4MY, Paul AA4XX, David KF4VXJ, Jay KJ4HZZ

1. Call to order (Karl W4CHX): Karl W4CHX called the meeting to order at 7:04 PM.
2. Approval of minutes (Karl W4CHX): Approval of March minutes was deferred to the May meeting.
3. Vice President's report (CJ KJ4OBQ): The speaker for May meeting is Tom Brown, N4TAB who will speak on amateur radio and emergency communications. At the June meeting, Bob W4TTX will present Field Day plans.
4. Treasurer's report (Greg KE4PAX): RARS has 313 members; 47 are new this year and 49 have not renewed from last year. There was a \$966.45 donation from Brian

Nipper via Chuck Littlewood. A payment schedule with 1st Alliance has not been agreed to. We will pay them at last year's rate until we have an agreement. Have a draft budget for review later tonight.

5. Secretary's report (Bob KI4YXM): No report.

6. Committee reports:

- a. Public Service Director (John AI4RT): The next event is the Springfest Three Ring Cycle in Pittsboro. The Special Olympics will be held on June 1st and 2nd.
- b. Public Information Officer (Chuck W3WZN): No report.
- c. Education Director (Virginia NC4VA): Forty-two (42) people are enrolled in the next Technician licensing class.
- d. Field Day Chair (Bob W4TTX): There will be a Band Captains' Meeting on Friday evening via the I46.64 repeater. We have extended an invitation to Sheriff Donnie Harrison to start Field Day at 2:00 PM in sync with an atomic clock. The rules for the antenna launcher contest were reviewed. David KF4VXJ reported that Diamond Springs and Harris Teeter are making donations to support Field Day. Some donors have asked that RARS provide links to the donor's website via the RARS website. After discussion, the consensus was to let Bob W4TTX and David KF4VXJ handle individual requests as they saw fit.
- e. FM Repeater Chair (Karl W4CHX): Karl W4CHX reported that Cliff W4FT is moving forward on the plans for the new building at the Bayleaf repeater site. A competing bid for the building has been received from a friend of a RARS member. Since the planning for the repeater building is still in its early stages and we need input from the tower site owner, it is premature to proceed with contracting for a building from any source. Once feedback from the tower site owner has been received, we will know how to proceed. Then, it is likely that we will ask for a revised bid(s).
- f. RARSFest Chair (John AI4RT): John AI4RT reported that RARSFest ticket sales are ahead of last year. The RARSfest Volunteers' Picnic is April 21st, and the "wrap-up" meeting is scheduled for April 23rd.
- g. Exciter Chair (Courtney KI4HOS): No report
- h. Hospitality Chair (Mary Jo K4MJL): No report

- i. Net Manager (Mary KG4OQA): No report
- j. ARRL Liaison (Chuck K4HF): Chuck K4HF reported that representatives from the Roanoke Division and the NC Section were present at RARSfest and very satisfied with having RARS apply for sponsoring the Roanoke Division Convention for 2014.
- k. At-Large Director (Don WA4AVU): Don WA4AVU commented that he needs more time to promote APRS. He plans to “get back on track” and provide APRS support to more public service events.
- l. At-Large Director (Ken KI4OTO): The RARSFest Volunteers’ Picnic is Saturday, April 21st. Ken KI4OTO indicated that he will have a report next month about the awards committee activity.
- m. At-Large Director (Jack N6UYB): No report.
- n. W4DW/W4RNC Trustee (Jeff AC4ZO): No report
- o. RARSVE Coordinators (Joe WA4GIR and Liz KO4CK): Joe WA4GIR reported that 68 people were tested at RARSFest, and only 10 people failed. With regard to the number of individuals taking the various licensing tests, they were about evenly split among Technician, General, and Amateur Extra class tests.
- p. RARS Webmaster (Hank K4HM): No report.

7. New business:

- a. Sponsorship of the North Carolina QSO Party (Mary W4MY, Paul AA4XX, Marc W4MPS, and Joe WA4GIR): Marty W4MY reported that the Forsyth Amateur radio Club is looking for a new sponsor for North Carolina QSO Party (NCQP). RARS’ obligation would be to have a small core committee to plan and conduct the event. Marty W4MY reported that the NCQP Committee would have a Chair and at least 4-6 members. One or two Committee members would be at-large members from other NC amateur radio clubs. After discussion, most Board members felt this was a very good opportunity for RARS.

Jack N6UYB made the following motion: “That RARS accept the invitation to sponsor the NCQP, starting in 2013 and that we create a Board position, for a RARS member, as chair of the committee.” Ken KI4OTO seconded the

motion. The motion passed unanimously. Marty W4MY was appointed as the Chair of the new committee. Marc W4MPS, Paul AA4XX, and Joe WA4GIR will be the RARS committee members. Marty W4MY will work to fill the two at-large positions.

- b. 2014 Roanoke Division Convention at RARSFest (Chuck K4HF): Chuck K4HF gave an update on the progress of RARS' application to ARRL for RARSfest to be designated the Roanoke Division Convention on April 19, 2014.

8. Old business:

- b. Insurance coverage for RARS (Greg KE4PAX): This will be discussed next month.
- c. None of the visitors elected to make any comments.

9. Any other business:

- a. School communications project with International Space Station (Jay KJ4HZZ): Jay KJ4HZZ attended the meeting to ask for help in handling a school communications project with the International Space Station, which has been approved to take place in October, 2012. The school is in Randolph County and under the DEC of Rhett, KB4HG. It was mentioned that the Cape Fear Amateur Radio Society in Fayetteville might be contacted for closer assistance.
- b. 2012-2013 RARS Budgets (Greg KE4PAX): Greg KE4PAX presented the preliminary version of the 2012-2013 RARS Budget. This was discussed by the Board. A line item will be added to the budget for the NC QSO Party. The Board was asked to review the budget information and be prepared to discuss and finalize the budget at the next RARS Board Meeting. Then, the budget will be presented to the general membership for approval at the June meeting.
